Mission Statement: Pride-Passion-Purpose

As we move into the holiday season it is the time of year to give thanks for all of our blessings. We live in the greatest country in the world, which in itself is a blessing. The support our school feels from the entire community makes all of us thankful to be residents of Grant County. The staff at PHS will continue to work hard to make Petersburg High School better and better in every way possible. I am thankful for all the students who work hard each and every day as well as those on staff who have the goal of student achievement as our number one priority.

A. Anderson  
Principal--PHS
