Mission Statement: Pride-Passion-Purpose

Thank you to our LSIC and Partners in Education committees for volunteering your time and efforts to help the students of Petersburg High School to be recognized. Our LSIC presentation to the board went very well last month, thank you to our leadership team for providing important feedback as well. We discussed in the presentation the thoughts and feelings of our parents. We received over 300 surveys back from our parents at the beginning of the year. We appreciate the feedback and we will continue to improve PHS each and every day, your suggestions are help us do that. We will send out another survey in April to our parents, we ask you please participate. Your feedback is very important and valued.
