### Mission Statement: Pride-Passion-Purpose

This time of year can be long, dreary and frustrating for many people. Keep calm, cool and steady; spring is almost here. The progress PHS has made as a school academically and culturally is a testament to the hard work put in by our students, staff, parents and community. Your efforts has our county and school moving towards being the best in the state. I always look forward to working with each one of you, because we do have the same goal. To bring Pride, Passion and Purpose to everything we do at PHS. Good luck to the spring sports teams as they begin practice and great job by our winter athletes for representing PHS well.

A. Anderson  
Principal--PHS

## Announcements

Thank you to everyone for making the Boys and Girls JV Tournament a success. This was a school fundraiser and we had a lot of help from our staff, community and businesses to make it a success.

Thank you to Dominion Energy for donating the academic trophy case and hanging up the items for the Academic Wall of Excellence.

Our second academic assembly of the year went very well, thanks again to our Partners in Education for funding and running this initiative.
