Mission Statement: Pride-Passion-Purpose

As we move into November a third of our school year is already complete. Fall sports are ending, winter sports practices will be beginning along with deer season and thanksgiving being right around the corner. It is the time of year to give thanks and I would like to take this opportunity to thank all of our veterans for your hard work and commitment to our great country. Your sacrifice allows us to pursue the American dream, and for that we thank you.

Principal--PHS
